

VISIONAL

Creative Technologist

OBJECTIVE

Responsible for the maintenance, set-up, and operation of production equipment while ensuring complete customer satisfaction.

WHAT WE ARE LOOKING FOR

A tech-savvy quick-thinker with a drive and desire for a live event environment is the perfect candidate for this role. Capable of discovering and engaging new business opportunities as well as nurturing existing clientele, the Creative Technologist thrives in problem-solving, taking pride in quality, and discovering efficiencies. The ideal candidate has a reputation of a positive can-do attitude, and a unique ability to multitask in a fast-paced office and production environment. Someone of two minds, both creative and analytical, the Creative Technologist is well-rounded in all aspects of the event, including creativity, engineering, operation, and customer service, and has the ability to anticipate the clients needs in advance, establishing a world-class customer experience with the Visional brand.

MORE ABOUT VISIONAL

Founded in 2014 by Kyle Means and James Steurnagel, Visional is a production technology agency specializing in production, virtual, experiential, creative, and environmental solutions. Our goal is to develop ideas into cutting-edge visuals that you and your guests will love.

We help clients all over the world create unique visual experiences by combining cutting-edge video and lighting technology with years of expertise in visual engineering. We're friendly, energetic and driven to help our partners develop and execute incredible experiences for their clients. We thrive on building relationships and helping organizations deliver their message through creativity, technology, and collaboration.

Be nice. Do good work. That's our motto. Visional gives you the industry-leading tools and the expert team you need to make your vision a reality. Corporate events, rock shows, interactive installations or brand activations – we're here to help every step of the way, from pre-production to load-out.

Visional is headquartered in Atlanta, Georgia with offices in and Denver, Colorado and Orlando, Florida. Further information is available at www.visional.pro.
